

Code of Ethics Case Studies II

*Satisfies the NAR requirement for the Code of Ethics
This class also satisfies a requirement for the GRI Designation.*

Explore common scenarios faced in the Real Estate industry and your legal and ethical duties when these situations arise. Jon Kopecky will go into the Ethics Complaint process and potential discipline if found in violation of the Code of Ethics. Case Studies may also be discussed.

Note: Please prepare to be on time as the Minnesota DOC rules require you cannot miss **ANY** of class or **NO CE** can be given.

This course has been approved by the Minnesota Commissioner of Commerce for 3 hours of Real Estate Continuing Education

You must register with the Minnesota Association of REALTORS for this class at
